STUDY TIPS

I will talk face to face.

(Yüz yüze konuşacağım)

I will get back as soon as possible.

(En kısa sürede geri döneceğim)

I won't be late.

(Geç kalmayacağım)

Konuşma esnasında gelecekle ilgili alınan bir karardan bahse-derken "will/won't" yardımcı fiillerini kullanarak cümleler kurarız. Olumlu ve olumsuz cümlelerde "will/won't" özneler hemen sonra kullanılır.

I think (Bence)

I hope (Umarım)

I'm sure (Eminim)

I guess (Tahminimce)

I suppose (Sanırım)

I believe (İnanıyorum ki)

Probably (muhtemelen)

gibi ifadeler genelde

"will/won't" kalıbıyla

birlikte kullanılır.

I think he will make complaint.

(Bence o şikayet edecek)

I'm sure I will solve this problem.

(Eminim bu problemi çözeceğim)

I guess He won't join my party.

(Tahminimce o benim partiye katılmayacak)

Read the dialogue and answer questions!

Ali
Hi! Nehir! What are you doing?

Ali
What is it about?

Ali
Oh, Aziz Sancar is a successful chemist. Can you tell me shortly about his life?

Nehir
Hi Ali! I am doing my science homework.

Nehir
I'm researching Aziz Sancar.

Nehir
Sure! He was born in 1946 in Mardin. He graduated from Istanbul University, Faculty of Medicine. He received the Nobel Prize in Chemistry in 2015 for his studies on DNA repair. He is still working at the university of North Carolina in the USA.

- Which of the following is NOT correct according to the dialogue?
 - Nehir is doing her science homework
 - Ali is learning about Aziz Sancar.
 - Nehir is talking about Aziz Sancar.
 - Aziz Sancar is working at a university in the USA.
- What is Nehir doing at the moment?
 - She is reading a book about anatomy.
 - She is doing her science homework.
 - She is watching a documentary about DNA.
 - She is writing a letter to Aziz Sancar.
- When was Aziz Sancar born?
 - in Mardin
 - in the USA
 - in 1956
 - in 1946
- Why did Aziz Sancar win the Nobel Prize?
 - Because he discovered gravity.
 - Because he invented the light bulb.
 - Because he studied DNA repair.
 - Because he built a robot.
